

REGATTA DIRECTOR NOTICE #008

Issued 06 January 2021

RE: First Aid Training – RRSAC 1.3

The RRSAC, rule 1.3 requires at least four crewmembers on board to have completed a recognised First Aid and CPR course as determined by the Regatta Director.

Please provide details of the course or courses completed and the sailors who completed these courses.

Upon receipt of this information, I will confirm by email that I have determined that the course(s) are suitable. Please note that my determination in no way relieves each team of the responsibility to ensure that sailors are adequately trained to sail on an AC75 yacht.
