

## REGATTA DIRECTOR NOTICE #011

Issued 21 January 2021

### **RE: Race Course Intentions & Managing Wind Shifts**

#### Course Set Up

As a starting point, I will endeavour to set up a course with:

- six legs
- target time of 25 minutes
- two tacks per upwind leg
- two gybes per downwind leg

#### Wind Shifts

After a race has started, I intend to abandon a race:

- as required by RRSAC 32.3
- if there is a significant persistent wind shift (approximately 30 degrees or more) at any time in the first three legs
