Kind regards,

Cathy Ryan  
COR Team Liaison

## AMENDMENT # 05 TO THE PROTOCOL GOVERNING THE 36<sup>TH</sup> AMERICA'S CUP

### PARTIES

ROYAL NEW ZEALAND YACHT SQUADRON ("RNZYS"); and

CIRCOLO DELLA VELA SICILIA ("CVS")

### BACKGROUND

A. The Parties entered in to the Protocol Governing the 36<sup>th</sup> America's Cup dated the 26<sup>th</sup> of September 2017 ("Protocol") and in accordance with Article 52.1 have mutually agreed to amend the Protocol as set out with effect from the date of execution of this document.

B. The provisions of the Protocol including the previous amendments shall remain in full force and effect except as expressly amended below.

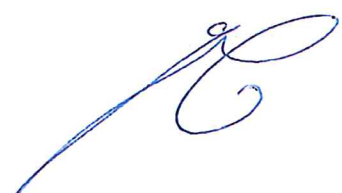

### PROTOCOL AMENDMENT as follows:

1. Delete Article 45.5 and replace it with the following:

#### **Article 45.5: "Use of Official Event Logo on Competitors uniforms and on team replica apparel merchandising"**

**45.5.1** – The Official Event Logo designated by the Title Sponsor shall be displayed at all times during AC 36 on the sailing uniform/gear and other team member clothing (whether sailing crew or onshore personnel) of each Challenger, as prescribed in the Brand Manual ("Event Patch"). For avoidance of doubt, this requirement is mandatory for the Challengers only, but if the Defender elects to display the Event Patch on any of its sailing uniform/gear or other team member clothing, any such display shall always comply with the Brand Manual.

**45.5.2** – Competitors may also display the Event Patch on team replica apparel merchandising, provided that if a Competitor elects to do so, then that Competitor is required to pay a fee to the Title Sponsor for each single use of the Event Patch at a level and in the manner communicated by the Title Sponsor (such a fee to be the same amount for all Competitors). For the avoidance of doubt, such a display is optional only and not a mandatory requirement for any of the Competitors. Any use of the Official Event Logo

on Competitors merchandise shall always be in compliance with the Contract and the Brand Manual.

Dated this 21st day of May 2019
