

## Umpire Questions and Answers

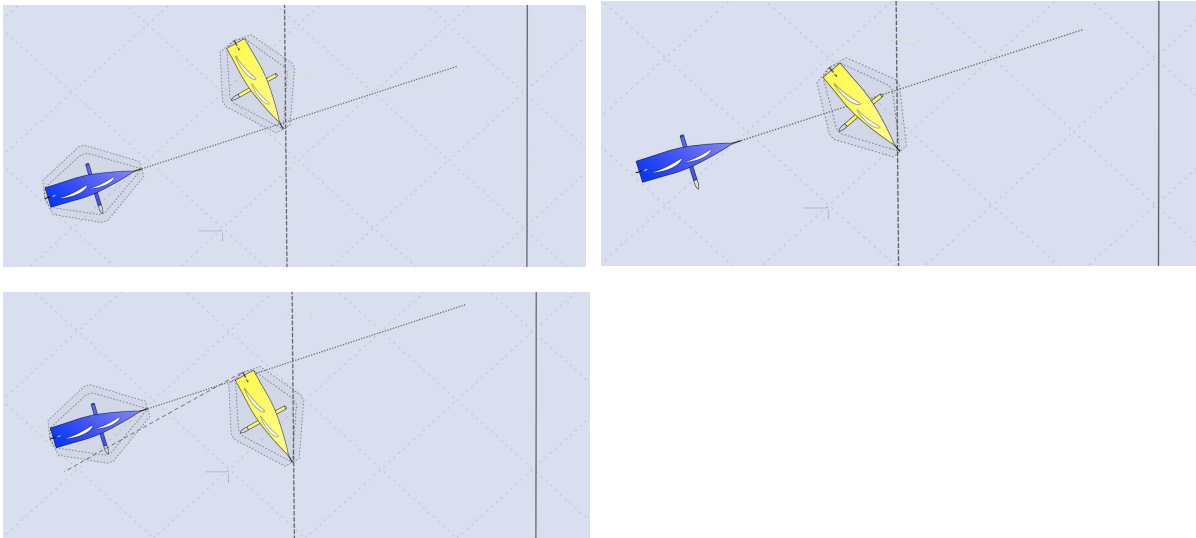

### QA003 updated

14 January 2021

based on RRSAC v3.02

#### Question

In which of the diagrams below, if any, prior to starting and with the solid line representing the course boundary and the broken line the boundary zone, would you consider Yellow to be overlapped inside under rule 19.2(b) if Blue is passing the obstruction on her starboard side?

#### Answer

None. Rule 19 does not apply because the yachts are passing the boundary on opposite sides.

Yellow is a windward yacht and is required to keep clear of Blue.
