

Umpire Questions and Answers

QA004

13 December 2020

based on RRSAC v3.00

Q

RRSAC 6.1 requires sailors to comply with World Sailing (WS) Regulation 19 - Eligibility. WS Regulation 19.6 requires sailors to have both Competition Eligibility and World Sailing Eligibility.

Do sailors satisfy World Sailing Eligibility under WS Regulation 19.4(b)?

A

Yes.

Regattas in AC36 are World Sailing Graded Match Racing Events. Therefore if a sailor has completed their registration into the World Sailing's America's Cup Registered Testing Pool, they are registered as a 'World Sailing Sailor'.

This has been referred to World Sailing who confirmed that they accept that all sailors who are in the registered testing pool are World Sailing Eligible.

Please note that the regulations include disciplinary processes that may suspend or revoke eligibility.
